

Kent Internal Airport Bin

The Kent Internal Airport Bin KIAB1000 is manufactured with Grade 304L Stainless Steel and is Polished to 320 Grit Satin finish that gives a finish of less than 0.5 RA.

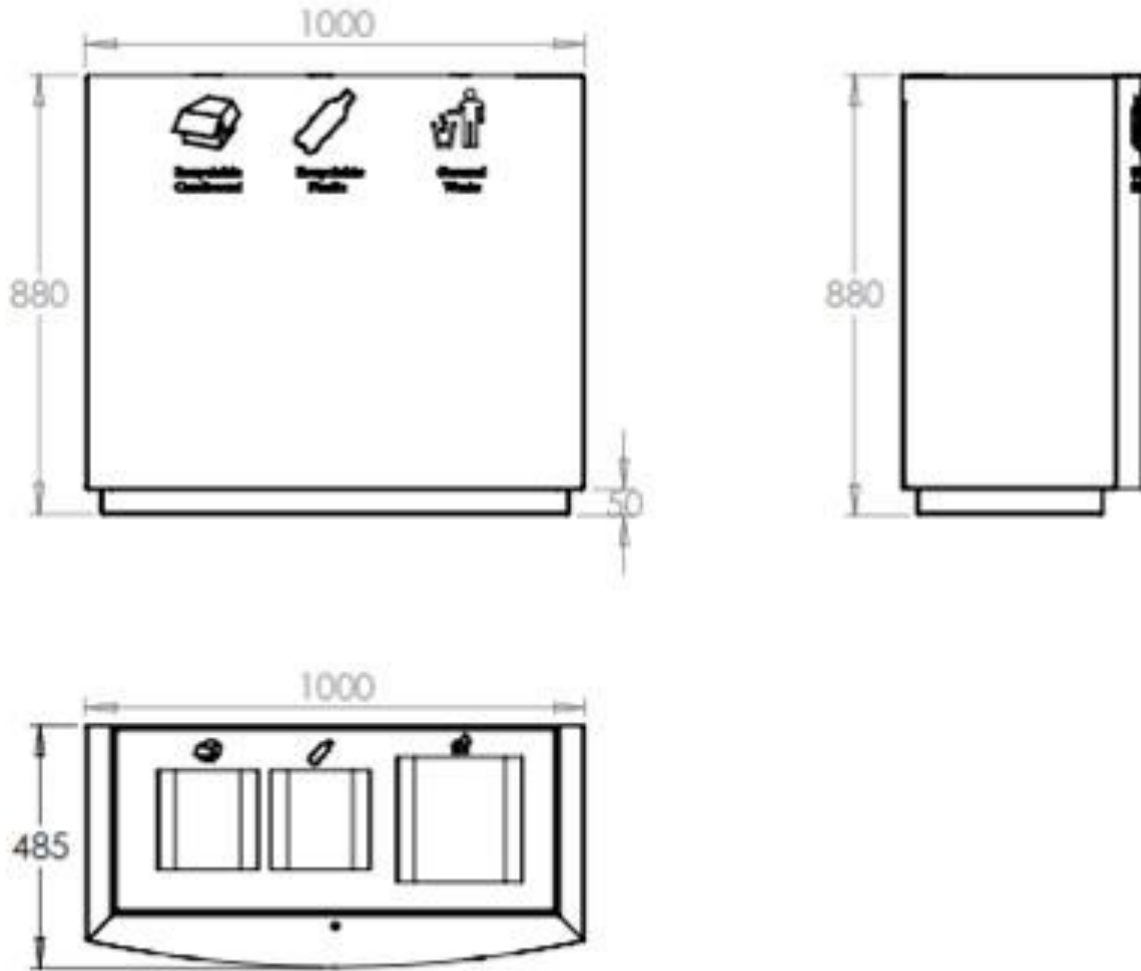

The bin comes with 3 galvanized liners inside that can be used for different types of waste. The liners are fire resistant due to the galvanized steel.

The bin is easily accessible using the square head slam lock. The bin has a gas rim lift assist hinge lid that makes it easy to open and change the bin bags. The bin includes decals and they can be customised to your requirements

Features:

- Grade 304L Stainless Steel
- 3 Galvalised Fire Resistant Liners
- Square Head Slam Lock
- Gas Ram lift assist hinge lid
- Customised decals
