

KENT CHEMICAL STORAGE CABINET

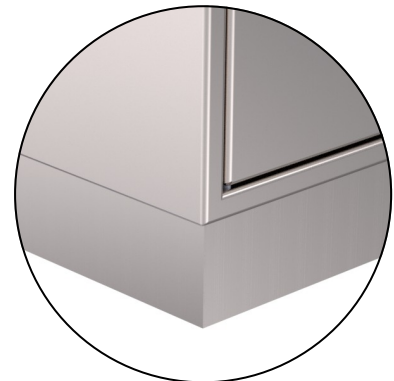

Kent Chemical Storage Cabinet (KCSC1200) is designed to store and house dangerous chemicals. It is suitable for clean rooms, sterile rooms, food processing areas and research areas.

The cabinets can be easily cleaned with minimal crevices throughout the design. They also come with adjustable internal shelving allowing for greater flexibility and adjustable legs with the option of skirting.

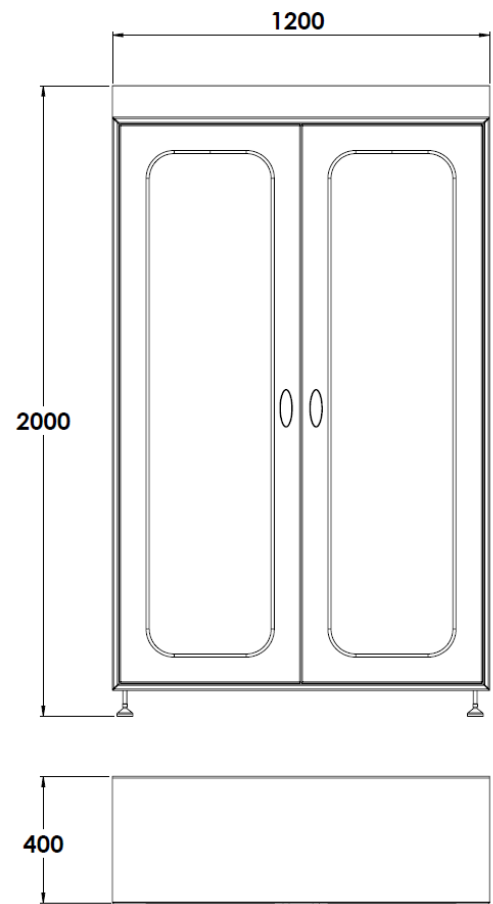

The cabinet also features lockable glass doors for easy viewing of contents and the overall sizes can be adjusted to requirement.

Features

- Grade 304L/316L Stainless Steel
- Satin finish 320 grit polished
- Adjustable Shelving
- Customs sizes available
- Sloped top optional
