

# Kent Bike Shaped Cycle Stand

### Specify:

The Kent Bike Shaped Cycle Stand is a 1660mm long cycle stand and measures just over 1000mm high. This is a feature bike rack which is often used at the start and end of a row of lower cost cycle stand.

It was designed originally for Ennis Town Council as part of the Ennis Active Travel Town scheme. The Bike Rack also bears the Smarter Travel logo from the Irish Governments' Dept of Transport, Tourism and Sport.

### Features:

- **Grade 316L Stainless Steel**
- **50mm diameter tube**
- **2.5mm wall thickness**
- **Uncomfortable seat shape**
- **Logo Plate 400mm x 200mm**
