

Kent Shoreditch Cycle Stand

Kent Shoreditch Cycle Stand KSDCS900

Specify:

The Kent Shoreditch Cycle Stand KSDCS900 is a modern and simplistic cycle stand. It was designed and developed for the public realm developments in Shoreditch, London. The cycle stand is manufactured using Grade 316L Stainless Steel, it has a Bright Satin finish as standard. The cycle stand is 900mm above ground level when installed. The bar is 15mm thick and 600mm wide, this makes the cycle stand a very simple design that is suited to these public areas.

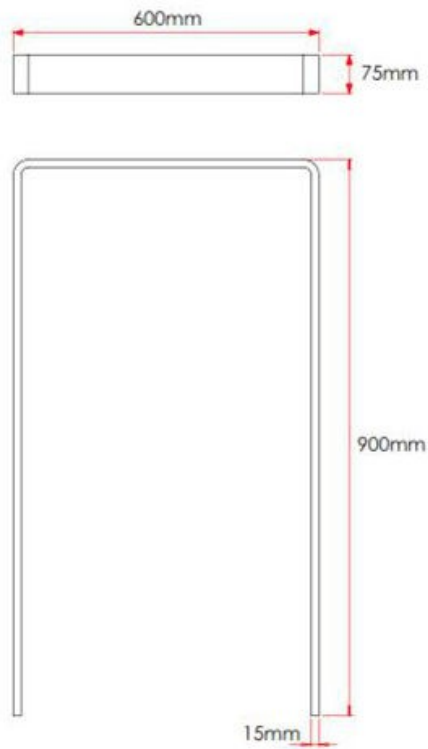

Features:

- Grade 316L Stainless Steel
- Bright Satin finish
- Easy Installation
- 900mm Above Ground
- 600mm Wide
- 15mm thick bar
