

## KENT GOGGLE DISPENSER

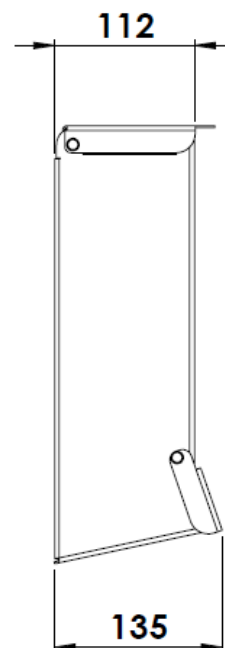

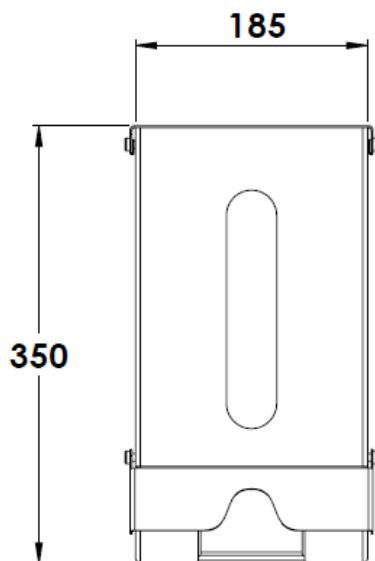

Kent Goggle Dispensers (KGGD 185) are designed to store and conveniently dispense disposable goggles to operators.

The goggle dispenser is wall mounted with a hinged lid to refill with ease. It also has a hinged flap on the dispensing slot.

The dispenser can be easily cleaned with minimal crevices throughout the design.

### Features

- Grade 304L/316L Stainless Steel
- Satin finish 320 grit polished
- Wall mounted
- 1.5mm thick steel
