

# Kent Colmore Seat

## Kent Colmore Seat KCMS400

### Specify:

The Kent Colmore Plaza Seat KCP400 is constructed from Grade 316L Stainless Steel. It is 400mm long, 1 person stainless steel seat. It has a simple but modern curved design that makes it suitable for urban streetscapes. The seat is finished with small rectangular perforations to add to the design and to prevent rainwater lying on the surface.

### Features:

- Grade 316L Stainless Steel
- Single Seat
- Bright Satin Finish
