

Kent Greenwich Riverside Bench

**KENT GREENWICH RIVERSIDE BENCH KGRB-2000**

The Kent Greenwich Riverside Bench was designed for Greenwich Peninsula in London. This model is available in 304L and 316L Stainless Steel with Iroko Timber as standard with 3 coats of Danish Oil.

Our Greenwich Riverside Bench is manufactured in 2000mm long Sections, as standard. The frame is powder coated however multiple finishes are available. The bench is standard 450mm above ground level with a buried flange, however, visible flanges are available.

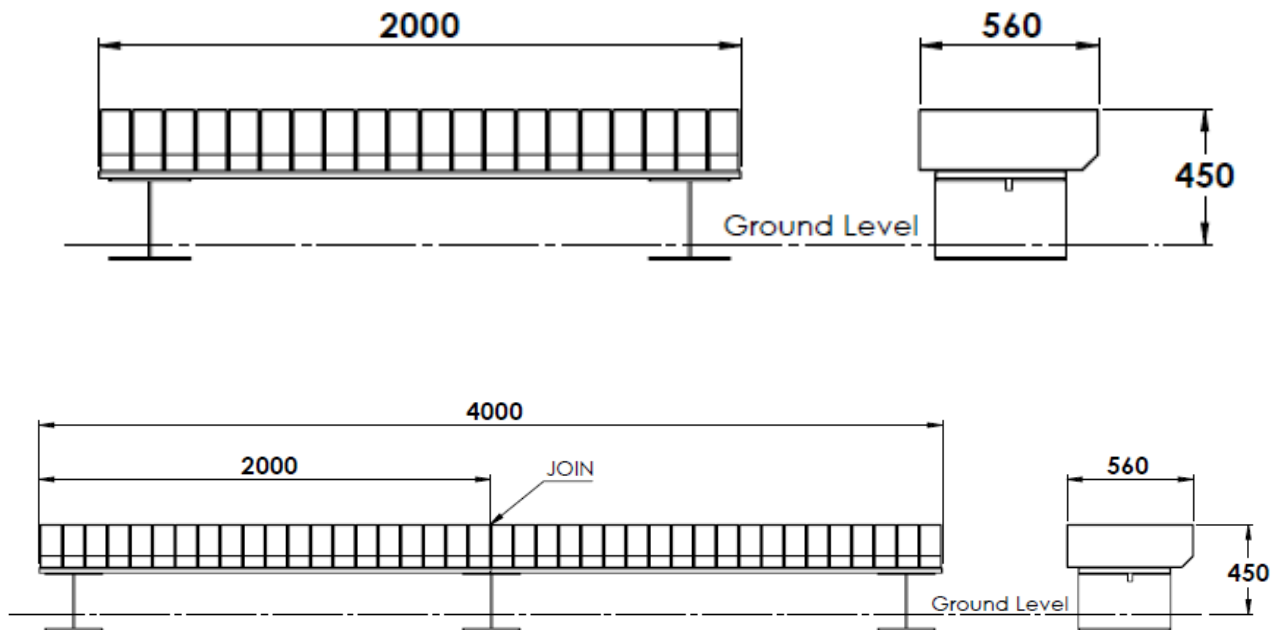

The overall dimensions can be adjusted to requirement with multiple shapes and layouts possible.

Features:

- 304L or 316L Stainless Steel
- Modular design
- Buried flange as standard
- Custom layouts and shapes available
