

Kent Shoreditch Mounted Bench

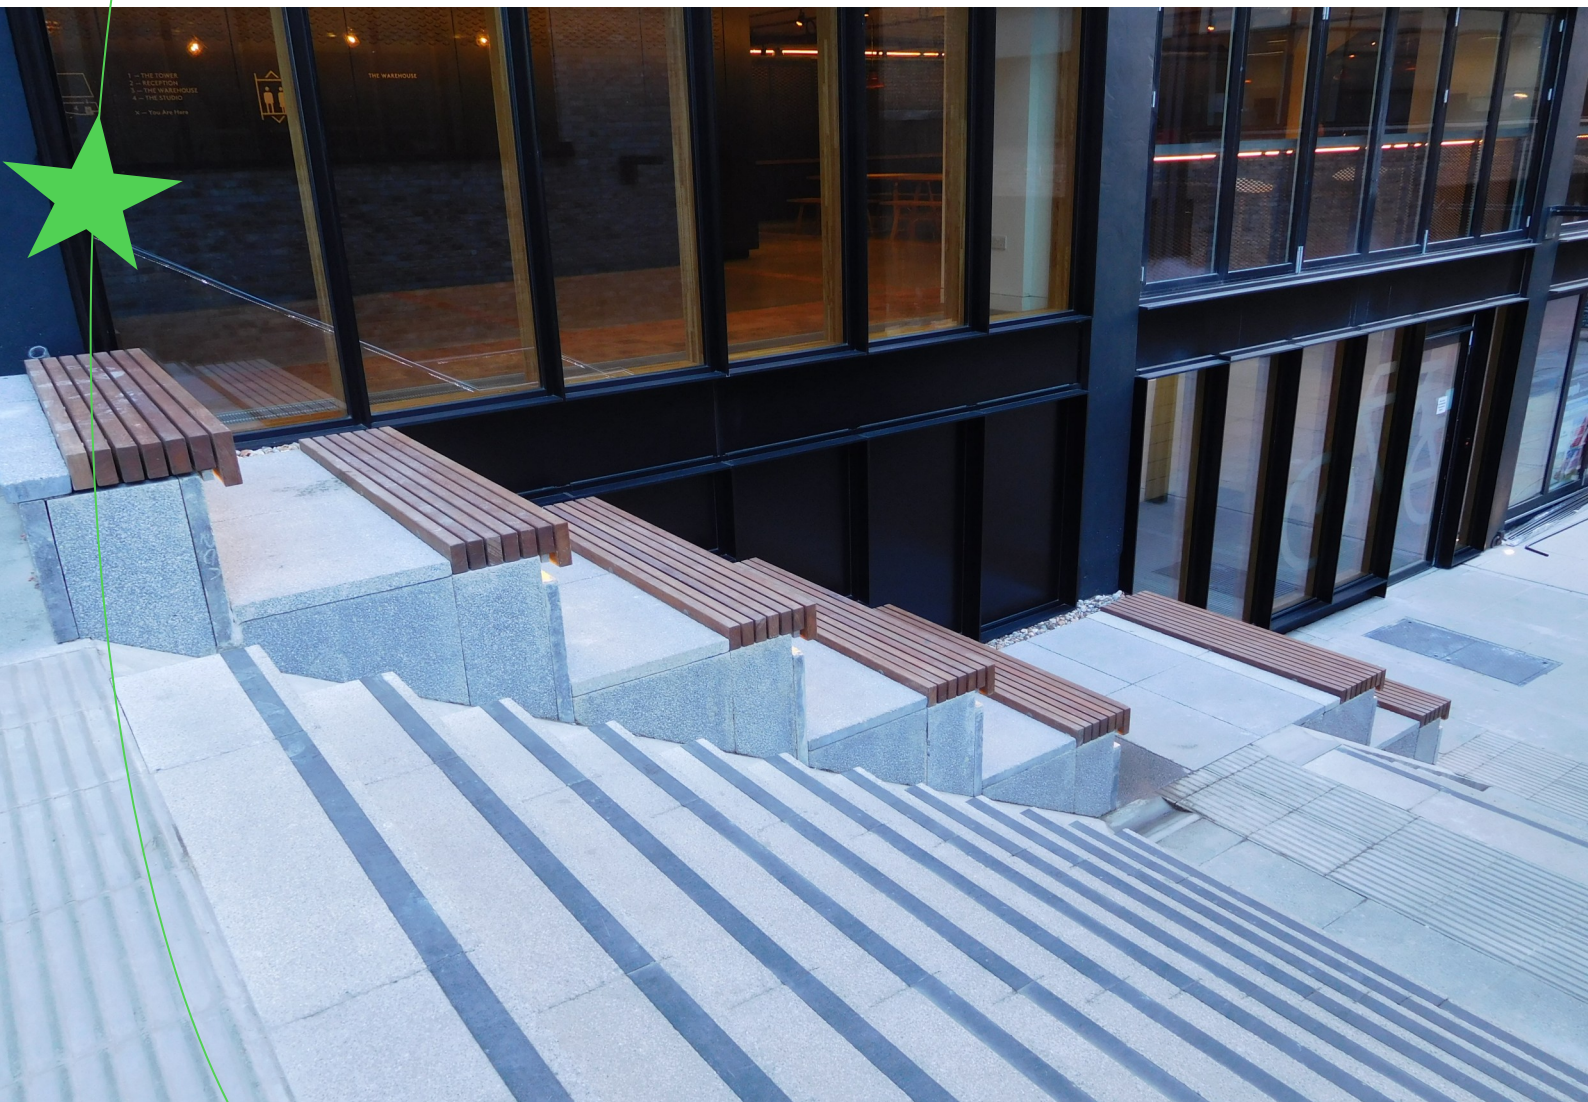

Kent Shoreditch Mounted Bench KSDMB2198

Specify:

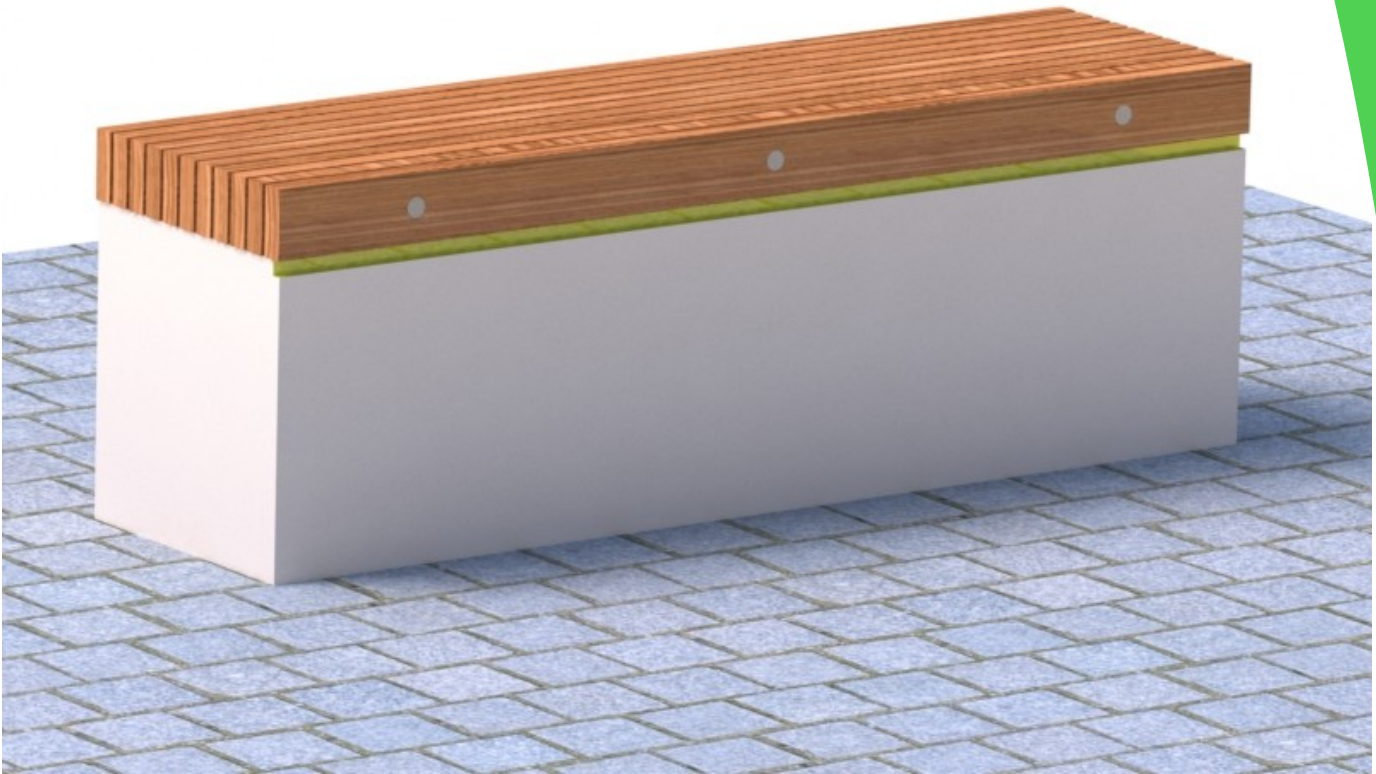

The Kent Shoreditch Mounted Bench KSDMB2198 is a modern and innovative bench, manufactured for public realm projects in Shoreditch, London. It is a perfect seat for urban centres. It is manufactured using Iroko Hardwood Timber that is treated with Danish Oil for extra protection. The bench is mounted on a concrete base. The bench also includes LED lighting underneath which allows pedestrians to navigate carefully at night.

Features:

- Iroko hardwood timber
- Treated with Danish Oil
- Mounted on Concrete
- LED Lighting System
